## **More about the Online Creative Showcase**

Through the online showcase we can now be all together at the one place at the one time – businesses, practitioners, projects, educators, consultants, and more. This online showcase is an initiative of The Creative Alliance and is for people who live and/or work in this region and want others to know about them, make connections and contribute to the further development of our creative economy

**RSVP by the Wed 10 February:** [info@thecreativealliance.org](mailto:info@thecreativealliance.org) or the Events Page on our website
